Published 12/19/2007 - 9:12 a.m. CST

At a recent board meeting of The Sue Weaver CAUSE (Consumer Awareness of Unsafe Service Employment), a check for \$7500 was presented from Cloud 9 Charities, Inc. as a result of the 2007 Fashion Show. CAUSE is a 501(c)(3) that promotes education of consumers and employers regarding the risks of not doing appropriate background checks. It is critical that consumers demand and employers realize their obligation to make it policy that no employee or subcontractor sent to work in or near homes has a criminal background. The Sue Weaver CAUSE plans to launch a CAUSE Certification for employers in 2008. For more information, call 214-450-5812 or go to www.sueweavercause.org.
